

AccelaStudy AI: Testimonials

No third-party testimonials are included with the Monday, May 11, 2026 launch press kit. AccelaStudy AI is generally available as of today; user testimonials will be collected over the launch window and added to the press page as they accrue.

Journalists who would like to interview an early subscriber should contact press@accelastudy.ai — we will facilitate introductions to learners who have agreed to speak on the record.

Template (for future entries)

```
> "<quote about a specific AccelaStudy feature or outcome>"  
> - <Name or initials>, <credential pursued>, <outcome if applicable>, <date>
```
